You're Invited!

Join AWS, Anitian and a select group
of cloud security partners for the
AWS Cloud Security and Automation Pop-up.
This pop-up event is 2 blocks from the RSA Conference
and will feature presentations by leading
cloud security and automation companies.

CloudPassage **splunk>**

ERCOM **Barracuda**

**ALLGRESS** **puppet**

CIS **Center for Internet Security®**

Hosted By aws & ANITIAN

Insider Information

These rapid-fire presentations are a quick hit of the best of RSA, and give you a chance to step out of the crowd and really engage one-on-one with leaders in cloud security and automation.

AWS, Anitian, and all the AWS partners hope to see you there! A social hour from 5:30pm – 10:00pm will follow the presentations.
